

Design your own Power banner and win!

# Power Banner Competition

If you win this competition, you and your class will make the REAL banner for Power v Melbourne on August 22nd.

Large empty rectangular box for drawing the banner.

We encourage students (5-12 years) to combine their art and literacy skills and design the best footy banner suitable for a Power game. Each entry must include the student's name, home address, date of birth and contact details.

Each entry will receive one ADULT ticket to the Power v Melbourne game on August 22nd, and we encourage this ADULT to purchase children's tickets at \$2.75 each.

The student who win's the competition will receive 100 tickets to the footy for their class, teacher and parents. The class will help to prepare the banner and will form the guard of honor when the Power run onto the oval. **GOOD LUCK.**
